# GREAT BASE JUNIORS

The Great Base is a tennis education system that takes principles from Vic Braden's tennis research. It is an accelerated program for goal-oriented juniors, combining formal and technical training with game-based instruction. Players can expect to spend time on technique and learning advanced strokes before developing rallying skills. Once players have a sound grasp of efficient stroke production and rallying skills we begin working on singles and doubles concepts and their application. For additional information, please contact us at [info@ehitennis.com](mailto:info@ehitennis.com).

Monthly sessions are prorated for late sign-ups.

Days: Monday - Friday

Levels: Tournament Prep & Tournament Players

Great Base classes start August 19<sup>th</sup>. Great Bases classes end May 15<sup>th</sup>
