

**Eastern Hills Indoor Tennis Club
49th season**

2019-20 Season

In 1971 Eastern Hills Indoor opened its courts, connecting people to the game of tennis. Here we foster the game and the friendships that go along with it. We have always strived to be the best indoor tennis facility in Cincinnati where players develop their full potential. Tennis is all we do, and we strive to be the best.

Located 7.1 miles away from downtown Cincinnati, we are the closest indoor tennis club to the city. We have eight indoor tennis courts, which also serves as the home of the Xavier University tennis teams.

As we start our 49th season, we have a couple of new additions to the club. We have upgraded our club software to make it possible for online and mobile payments in the near future. We have created new in-house leagues to allow our members easy access to match play. We continue to improve the playing conditions with all new back drops which line the courts.

Thank you again for choosing Eastern Hills Indoor as your home for indoor tennis, and we look forward to seeing you around the club.

GREAT BASE JUNIORS

The Great Base is a tennis education system that takes principles from Vic Braden's tennis research. It is an accelerated program for goal-oriented juniors, combining formal and technical training with game-based instruction. Players can expect to spend time on technique and learning advanced strokes before developing rallying skills. Once players have a sound grasp of efficient stroke production and rallying skills we begin working on singles and doubles concepts and their application. For additional information, please contact us at info@ehitennis.com.

Monthly sessions are prorated for late sign-ups.
