EASTERN

HILLS INDOOR

— Tennis Club —

In 1971 Eastern Hills Indoor opened its courts, connecting people to the game of tennis. Here we foster the game and the friendships that go along with it. We focus on being the best indoor tennis facility in Cincinnati where players develop their full potential. Tennis is all we do, and we strive to be the best.

Located 7.1 miles away from downtown Cincinnati, we are the closest indoor tennis club to the city. We have eight indoor tennis courts, which also serves as the home of the Xavier University tennis teams.

As we celebrate our 51st season, we have a couple of exciting additions to our schedule this year. Once again we have multiple club improvements in the works including: new side curtains on the courts, new lighting in the pro shop and around the desk, an additional ball machine and painting the outside of the building.

Thank you again for choosing Eastern Hills Indoor as your home for indoor tennis, and we look forward to seeing you around the club.
